

**IN THE UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

**IN RE: NATIONAL PRESCRIPTION  
OPIATE LITIGATION**

**MDL 2804**

**Case No: 1:17-md-2804-DAP**

**Honorable Dan Aaron Polster**

Pursuant to the Court's January 3, 2023 Order Regarding Plaintiff Fact Sheets and Service of Process (ECF No. 4801), Apotex Corp. ("Apotex") submits the following list of cases where, as of this date, (i) it has no record of being served with process or (ii) where proof of service or a waiver of service has not been filed for Apotex.<sup>1</sup> This list of cases is based on Apotex's reasonable investigation to date. Apotex reserves the right at any time to correct, modify, amend, or supplement this list as appropriate.

**Defendant Name: Apotex Corp.**

<sup>1</sup> Federal Rule of Civil Procedure 4 requires a waiver of service or proof of service to be provided to the Court. *See* Fed. R. Civ. P. 4(d)(4), (l). Nothing in this submission shall be construed as waiving or prejudicing any and all available defenses and objections to the claims asserted against Apotex, including but not limited to, those relating to lack of or improper service, lack of personal jurisdiction, and dismissal as a party.

Apotex also notes that it has not located Plaintiff Fact Sheets (“PFS”) for the following Native American tribe, hospital, or third-party payor (“TPP”) Plaintiffs. While Apotex notes that the Court appears to have only ordered “Governmental Entities” to serve a PFS (*see* ECF Nos. 638, 642), Apotex identifies these tribe, hospital, and TPP cases out of an abundance of caution. Again, this list of cases is based on Apotex’s reasonable investigation to date. Apotex reserves the right at any time to correct, modify, amend, or supplement this list as appropriate.
